

Information about the Monthly Mailing

The Northeastern Pennsylvania Synod sends out a mailing every month to synod congregations and rostered leaders. It contains—

- *Synod News*, the insert for congregation newsletters and/or bulletins (also available on the synod website)
- Roster changes since the prior month's mailing
- *The Parish Paper* (note that copying is restricted for this piece)
- *Thanks to You*, the bulletin insert to interpret our church's mission (not published every month; available also on the synod website)

In addition, the mailing contains a message page that points readers to announcements, news, and events that are new for the month, with a brief description of each. "This Month's News," located on the "Publications" drop-down menu on www.godslove.org, provides links to the information on the synod website or other websites.

If you would like us to consider including a link to a particular event, piece of information, or news item on the message page, please send a *brief* description of the item and the URL (web address) for the information to Carol Weiser at cweiser@fast.net or nepsynod@rcn.com. **Note** that news and events must relate to the synod as a whole or to churchwide or ecumenical concerns.

If the information is not available on an existing website and you would like us to consider including it in "This Month's News," send a camera-ready copy of the information **as a Word document or as a PDF** to [Carol Weiser](#).

The monthly deadline for submitting information for consideration is posted on the [calendar](#) on the synod website, www.godslove.org/calendar.

Most print materials posted on the synod website are available as Adobe Acrobat PDF (Portable Document Format) files. Adobe Acrobat files require the free Adobe Acrobat Reader to view and print. For more information on the Adobe Acrobat Reader, go to www.adobe.com/products/acrobat/readstep2.html.
