## Does your congregation have Internet access?

If your answer is *no*, then the Connection Building Ministry Team has an offer that can help change that answer to *yes*.

There is an abundance of information on the World Wide Web. And, for Northeastern Pennsylvania Synod congregations, there is even more information on our synod website that will benefit you!

Here's a taste of what is available on the synod website, [www.godslove.org](http://www.godslove.org):

- Read **E-News**, the weekly e-newsletter for congregations and leaders.
- Download copies of **Synod News** and **Thanks to You** for printing in your congregational newsletter or worship bulletin.
- Make copies of materials highlighted in the **monthly mailing**, such as the hunger appeal article or event posters and registration forms.
- Discover what's happening across the synod on the **web calendar**.
- Meet the **synod staff**.
- Get **directions** to and **phone numbers** for the Wescosville office and Reisner Annex.

- Order materials from the synod **Resource Center**.
- **Register** for upcoming events.
- Read minutes of **Synod Council** meetings.
- Read current and back issues of **Partners in the Spirit**.
- And **much** more!

The Connection Building Ministry Team has grant money available to congregations with no Internet access for a one-year subscription to dial-up Internet access.
