Children Learn to Appreciate Music

Thanks to you, children enrolled in the Head Start program at St. Luke Lutheran Church, Reading, are gaining an appreciation of music.

St. Luke Lutheran Church, in conjunction with the Community School of Music and the Arts, is sponsoring a music appreciation program for neighborhood children and their families as part of their outreach endeavors in the neighborhood.

This shared program lays the groundwork for working together with the Head Start staff on further collaborations after the school day is over.

The grant will be used to lower the cost of music lessons at St. Luke for participating children.

Thanks to you, the Witness and Service Ministry Team is able to provide grants several times a year to congregations and groups addressing one or more of the team's priorities.

Check out all the ways *your* mission support is at work through this team at www.godslove.org/people/ministry_teams/witness/witnessgrants.htm.
