

Photo Release Form

We often take photographs at the LYF Assembly that we may post on the LYF page of the synod website.

Sometimes we even prepare a DVD of the event that participants can purchase.

In the event that we decide to make a DVD *OR* take pictures for the synod website, we need to have your permission to use photographs taken of you!

Please respond below and return this form with your registration.

Photo Release Form

Directions: Please check **one**.

You may use photos of me to post on the synod website and may include it in an LYF DVD.

You may NOT use photos of me to post on the synod website and may NOT use it on an LYF DVD.
